The Juniors and Freshmen "licked" the Seniors and Sophomores "good and proper" in the tug-of-war on the Four-Mile pike Friday afternoon. The losers were dragged through the pond with great glee by the victors, but even while in the water, made a hard fight to keep from being yanked up the opposite bank. Some of the boys wore bathing suits, but others were so confident that they would win they came in their "every-day" clothes, and consequently got them good and wet. Everybody had a lot of fun, however, and enjoyed the game immensely.

### Get Seed Potatoes Now

Throughout Maine and other northern potatoes producing States, harvest is now in full blast. As the northern potato crop is below normal, both in acreage and in yield, specialists of the United States Department of Agriculture recommend that the southern planters stock up immediately on seed potatoes for next spring's plantings. Such activity on the part of the southern growers not only will assure them of the necessary seed but also enable them to secure high-producing, disease-free seed selected in the field at harvest time.

The Cumberland, the year's great battle for paces, will be decided at Lexington, October 1.

A stock medicine, not a stock food. Dr. Blackman's Medicated Salt Brick. Price 25c. Douglas & Simmons.

This was his first public utterance since William Bullitt declared before the Senate Foreign Relations Committee that Lansing in Paris had said if the American people knew what was in the treaty they would defeat it.

A Resident Known To All Our Readers Relates An Experience

Readers of the Register have been told again and again of the merits of that reliable, time-proved kidney remedy—Doan's Kidney Pills. The experiences told are not those of unknown persons, living far away. The cases are Richmond cases, told by Richmond people.

H. C. Brewer, grocer, Big Hill ave., Richmond, says: "I have used Doan's Pills at different times when my kidneys have been out of order and I know they are a good remedy. My back ached and I had soreness in my kidneys and it hurt me to stoop. My kidneys acted irregularly, especially if I caught cold. Doan's Kidney Pills have never failed to relieve the trouble and strengthen my back."

## DEMOCRATS AT HOPTOWN TODAY

(By Associated Press)  
Hopkinsville, Ky., Sept. 20—The Kentucky democratic state campaign opened here today with a barbecue preceeding speechmaking, with Governor Black as the principal orator, who devoted much of his address to replying to criticisms of his republican opponent Edwin Morrow. The barbecue left an old fashioned air to the meeting which was attended by representatives from most all parts of the state.

Congressman Rufus Hardy, of Texas, will share with Gov. Jas. D. Black, the chief place on the program at the opening of the Democratic campaign in Hopkinsville today.

Congressmen Kincheloe and Barkley, of Kentucky, were responsible in getting Judge Hardy to come to Kentucky. The Texas jurist is said to be a real orator.

The feature of the campaign's opening will be the barbecue and burgoon which will be served at the Hopkinsville Fair Grounds. The barbecue will last all day. The speaking program will be divided into two sections, one for the morning and another for the afternoon.

There will be other speakers besides Gov. Black and Judge Hardy. It is likely that Senator Stanley and one of the Kentucky Congressmen will speak.

Black's campaign; Selden B. Glenn, secretary of the State Central and Executive Committees, and Thomas B.
